## LETTER FROM THE PRESIDENT

Dear Green Briar Village Club Residents,

As we close out 2024, I want to take a moment to reflect on our collective achievements and express my deep gratitude for the privilege of serving this incredible community. It has been an honor to work alongside so many dedicated residents, board members, and volunteers. Together, we've made significant strides in enhancing our neighborhood and building a stronger, more connected community.

### Key Accomplishments During My Term:

#### 1. Improved Community Spaces

One of our top priorities has been enhancing the common areas. I'm proud to share that we have successfully constructed a new playground and created additional gathering spaces, including landscaping upgrades and outdoor seating areas. These changes have greatly improved the aesthetics and functionality of our shared spaces.

#### 2. Financial Health of the HOA

Over the past year, we've worked diligently to ensure the HOA's finances remain stable and transparent. Through careful budgeting and cost-effective measures, we've managed to build up our reserves for future repairs and amenities. We were able to build a new playground without an impact to fees or reduction in available reserves this year by holding off on hiring an office manager and by relying on volunteers to fulfill vital roles in maintaining the clubhouse grounds.

#### 3. Enhanced Communication and Transparency

We have made significant strides

in improving communication within the community. Regular newsletters, our website, a dedicated email list, and more open lines of communication through social media have helped ensure that all who want to stay informed are able to do so. This transparency has fostered trust and created an environment where residents feel heard.

#### 4. Safety and Security Improvements

Ensuring the safety of our community members has always been a priority. This year, we updated many of the security cameras around the clubhouse and continue to enhance lighting in the parking lot and surrounding areas to improve overall safety.

#### 5. Community Engagement and Events

Our neighborhood has flourished thanks to the spirit of volunteerism and neighborly support. We've successfully hosted holiday parties, weekly Panera Bread handouts, game nights, and other events that have brought residents together. These events have strengthened our bonds and helped make Green Briar a more vibrant place to live.

I would like to extend a special thank you to the board members, committee members, and volunteers whose time and dedication have made these accomplishments possible.

## LOOKING AHEAD:

Starting January 1, 2025, we will discontinue the monthly newsletter as we transition to a more efficient system for sharing updates. Residents and owners are encouraged to subscribe to our email mailing list to receive important community updates. You can sign up on our website at [www.greenbriarvillageclub.com](http://www.greenbriarvillageclub.com).

As part of our ongoing commitment to maintaining and improving Green Briar Village Club, the Board has approved an adjustment to the monthly dues, as follows:

- **Single Family Homes:** From \$72 to \$80 per month (\$960 annually)

- **Patio Homes:** From \$60 to \$66 per month (\$792 annually)

Please note that payments can be made online. Please email [manager@greenbriarvillageclub.com](mailto:manager@greenbriarvillageclub.com) to set this up.

This adjustment is necessary to address rising operational costs. Community lawn service prices have increased for the second consecutive year, insurance on the clubhouse has more than doubled, and we want to ensure we remain competitive with employee compensation.

The success of our community is a direct reflection of your active participation, feedback, and willingness to work together. Your engagement has helped keep Green Briar HOA dues among the lowest in Williamsburg. As a Board, we will continue to seek the most cost-effective ways to manage our operations.

On behalf of the Board of Directors, we wish you a happy holiday season and look forward to a fantastic year ahead in 2025.

## From the President

by Ken Benson

Fall and Holiday Greetings to our fellow Williamsburg Members!

The WHOA Board of Directors hopes everyone is well, enjoying the cooler fall weather, and grateful for life's blessings. We are grateful for your continued support in funding maintenance of our community entrance's monument signs, lighting, landscaping, and irrigation.

I'd like to thank Treasurer Liz Norfolk for her expertise in managing our finances and meeting our fiduciary responsibility, and Secretary and OC Community Advocate Donna Finklestein for taking meeting minutes and her ongoing work with the County on issues directly affecting Williamsburg. It is my honor and pleasure to serve alongside them now and in the coming year.

Here's a brief recap of what we've done this year. At our first quarterly meeting in February I reported that in January we attended an OC Town Hall Meeting at Deer Creek Club. Commissioner Nicole Wilson and various County department heads gave updates and general FYI, then fielded questions from the attendees mainly about the traffic impacts from the Williamsburg Areawide Study and late night motor enthusiast groups who regularly disturb the peace. In March we attended a Valencia Water Control District meeting that focused on their 2025 budget that required an increase in our 2025 ad valorem tax levy to \$67.00 and permitting the County's undergrounding of water mains that run alongside the S. Orangewood bridge. We also attended meetings in April, May, and August. Many thanks to the VWCD Board for diligently managing our area's drainage and flood control needs, especially during Hurricanes Helene and Milton.

Our subsequent Board meetings were held in May, August, and November. In November we ratified the year's two largest expenditures for irrigation repairs and tree trimming, voted to decorate the monument signs for the holidays and host a village Presidents' meeting sometime in 2025. Treasurer Liz Norfolk reported that all villages (except Wingate) are paid in full for 2024 and have pledged support for 2025, and that we have a modest reserve and small budget surplus for 2024. Dues for 2025 will remain at \$4.50 per home per year. Secretary and OC Community Advocate Donna Finklestein reported that the County continues to work toward installing a right hand turn only lane on southbound Orangewood at CFP, a left turn lane extension on eastbound CFP at Orangewood, and a left turn signal at northbound Gateway onto westbound CFP. She requested that OC install speed cushions before the stop signs on Lazy Lake Drive in Lake Ridge to discourage speeding and running the stop signs. OC encourages residents to report offenses. I reported that the CFP Publix median is being mowed regularly, that the WHOA Board attended an Austin Arthur Meet and Greet hosted at Green Briar Club in September, and that debris collection by FEMA has been delayed because yard waste that is to be collected by the County has been added to the piles by homeowners. I also shared an email that member Mac McGowan forwarded us about proposed multi-family, commercial, and mixed use development in the area. Many thanks to Mac for his informative updates.

I'm grateful to members Ernest Jordan Jr, Kim Durgin, Michael Crowe, and Shauni Deveaux who volunteer time to help me collect trash, debris, and solicitation signs throughout the

community. As the saying goes, "It takes a village". We also thank those members who attend our meetings.

And last but not least, many thanks to Ceal Hemphill and the staff at Community Media for their years of service to Williamsburg for publishing WHOA's and the individual villages' newsletter articles and calendars in the Williamsburg Times free of charge. December will be the last issue, as advertising revenue can no longer support future publication and distribution. I encourage the Village Boards to continue communicating with their respective Memberships through email blasts and posts on the clubhouse lobby bulletin boards. Communication is key to keeping our community informed and connected. On behalf of WHOA, I will email a quarterly update to the village offices and Boards. Our email address is [williamsburghoa.orlando@gmail.com](mailto:williamsburghoa.orlando@gmail.com). As always, the WHOA Board of Directors thanks you for your continued support and wishes everyone a safe, healthy, and happy Holiday Season and New Year. Our next meeting is Tuesday February 11, 2025 at 7:00 pm at Lime Tree Club, 5303 Gateway Ave. All homeowners are welcome to attend and be a part of our community's conversation. Thanks for reading.

## HOLIDAY SAFETY TIPS

This holiday season don't let the spirit of giving lull you into giving burglars, muggers, and pickpockets a better chance to do their dirty work. Criminals love the holidays as much as everyone else, but primarily because it's an opportune time for crime.

Homes jam-packed with glittering gifts, stores, malls and downtown streets teeming with unsuspecting shoppers, people rushing around, stressed-out and careless, looking for last-minute gifts, trying to get everything done. It's enough to make a criminal eager with holiday joy.

Here are some tips on how to celebrate safely this holiday season:

### **If You're Traveling**

- Get an automatic timer for your lights.
- Ask a neighbor to watch your home, and park in your driveway from time to time.
- Don't forget to have mail and newspaper delivery stopped. If it piles up, it's a sure sign you're gone.

### **If You're Out For The Evening**

- Turn on lights and a radio or TV so it looks like someone's home.
- Be extra cautious about locking doors and windows when you leave, even if it's just for a few minutes.

· Make sure your garage door is close when you leave your home

- Don't display gifts where they can be seen from outside.

### **If You're Shopping**

- Stay alert and be aware of what's going on around you.
- Park in a well-lighted space
- Be sure to lock the car and close

the windows

- Hide valuables including shopping bags and gifts in the trunk.
- Do not leave property in the bed of your pick up truck
- Avoid carrying large amounts of cash; pay with a check or credit card whenever possible.
- Deter pickpockets by putting your wallet in an inside coat or front pant pocket.
- Deter purse-snatchers by carrying your purse close to your body, not dangling by the straps. Do not leave your purse in the shopping cart while you are distracted shopping.
- Shop with kids? Teach them to go to a store clerk or security guard if you get separated.

### **If A Stranger Comes To The Door, Beware!**

- Criminals sometimes pose as couriers delivering gifts. And it's not uncommon for people to try to take advantage of others' generosity during the holidays by going door-to-door for charitable donations when there's no charity involved. Ask for identification, and find out how the funds will be used. If you aren't satisfied, don't give. Help a charitable organization you know and like instead.

Last, but not least, don't let holiday stress get the best of your holiday spirit. Make time to get together with family, friends and neighbors. Think about reaching out in the spirit of the season and helping someone who's less fortunate or lonely.

Do your part to make the holidays a safe and happy time for everybody - EXCEPT CRIMINALS!
